

3DR CONCENTRATE

Product Information

3DR CONCENTRATE is a unique colloid product, which can effectively replace up to 4 products, without compromising results or customer satisfaction. It is an ideal **DETERGENT, DISINFECTANT, DEODORANT** and **REODORANT**

- provides excellent results with **real cost effectiveness**.
- is highly favoured by the contract cleaning and hospitality industries for its safe and multiple surface, problem solving versatility.
- is an extremely safe product, and can be safely used on any and all surfaces that can be cleaned with water.
- is supplied with 4 unique fragrances, developed with the assistance of leading Australian cleaning contractors and housekeeping managers. (Pinelle, Spring Flowers, Lemon & Lemon/Lime)
- reduces costly multiple product inventory, and eliminates product misuse.

3DR CONCENTRATE is **NON-HAZARDOUS NON-FLAMMABLE NON-CAUSTIC NON-EXPLOSIVE NON-FUMING**

- can be used in hard, soft or salt water and is ecologically safe.
- contains **NO** Phosphates, nitrates, NTA, Enzymes, Sulphates, Sulphonates, Caustics or other pollutants.
- is **99.99 %** biodegradable in 7 days.
- is completely **“PEOPLE SAFE”** and will not harm or dry out skin. There are no effects from over exposure.
