## Product Information

**Hydroc Truck & Trailer Wash** is a unique heavy duty colloid truck wash, a specially formulated homogenous blend of Colloid, Sequestrants and Hyper wetting agents that become super active when processed together. **Hydroc Truck & Trailer Wash** is non hazardous, non toxic, non flammable, has no hard chemicals, is ecologically sensitive and completely people and environmentally safe. It is designed to give superior cleaning performance with minimal effort.

**Hydroc Truck & Trailer Wash** is an economical, superior truck wash that will not dull or damage paint or panel work, keeps truck side curtains pliable, and is safe to use on all surfaces, including chrome, paintwork, metal, glass and rubber. Regular cleaning with **Hydroc Truck & Trailer Wash** will shorten cleaning time, making the product more cost effective

When used in wash stations, **Hydroc Truck & Trailer Wash** will continually clean and enhance the wash station's water reticulation system, potentially reducing waste water treatment costs. In particular, **Hydroc Truck & Trailer Wash** is highly effective in cleaning, side curtains, tarps, refrigerated units (interior & exterior), tank exteriors.

**Hydroc Truck & Trailer Wash** is proudly Australian Owned, manufactured and exported worldwide

*Working towards a cleaner,  
greener, safe environment*
