

FLORAL FRESH AIR FRESHENER

Product Information

Floral Fresh is a blend of odour-control compounds and fragrances to neutralise noxious and offending odours. Floral Fresh incorporates *Microban*, a broad spectrum biocide to destroy many odour causing organisms such as mould, mildew, fungus and bacteria.

Because of the special surfactant system in Floral Fresh, it may be used as an additive in water based carpet cleaning systems to counter odours caused by dog and cat accidents, water damage, rot, smoke, etc.

The unique colloidal formulation is non hazardous, non toxic, non flammable, has no hard chemicals, is ecologically sensitive and completely people and environmentally safe.

Floral Fresh is:

- Ecologically & user safe
- Non-Hazardous
- Bio Degradable
- Phosphate & Solvent Free
- Non-Toxic
- Non-Flammable
